BUS RIDER CONTRACT

Abundant Life Baptist Church provides Sunday morning bus service so that those who desire to attend church will not be prohibited due to lack of transportation. This privilege is extended to those in the Transcona area, and beyond, as feasibility permits.

On our bus and at church we have some rules:

1. **Respect God** - This means we are careful with our language, we honour the Bible and we actively participate in prayer and lesson times.
2. **Respect Others** - This means we keep our hands and feet to ourselves, we are not disruptive, we seek to be kind in our actions and with our words. We also listen to and follow instructions.
3. **Respect Yourself** - This means we recognize our own purpose in coming to church (learn more about God, worship Him, etc.) and that our words, action and attire will reflect that purpose.
4. **Respect the Facilities** - This means that we are careful to participate with safety, clean up after ourselves and let a leader know when there is a problem.

For those individuals who choose not to comply with these rules, they obviously do not wish to attend church. Therefore, on those Sundays when an individual chooses not to comply with these rules they will be taken home immediately rather than be permitted to stay and be disruptive to those who do wish to attend and comply with the rules. Each family is required to complete two contracts one to keep at home and one to be returned to ALBC. Each bus rider must sign (or print) below indicating that they have been made aware of these rules. Their parent or guardian (for those under 18) is also required to sign below indicating that they are aware of these rules and have made their children aware of them as well. Finally, it is necessary that this document also be dated by the parent/guardian. Completion of this contract is mandatory for the privilege of ridership with the Abundant Life Baptist Church Bus Ministry.
