Upcoming Events

ALBC will once again be participating in the Winnipeg Folk Festival Dishwashing Fundraiser.

This year for each hour a Youth works at doing dishes our Youth fundraising budget will receive a prorated hourly rate donation. For instance: If you worked 8 hours of a total of 80 work hours, the youth fundraiser budget would get 1/10 of the total monies given to the church (\$3000 ?) for a deposit of \$300.

Please note this just an example. Actual monies involved depend on how many hours you work, how many hours other people work, how much money is received, etc.

July 8-12, 2010
Look for your opportunity to sign up at church!
